## PIZZA MENU

Our dough is made from the Italian “Caputo” flour, the king of all pizza flours; it is finely ground & has lower gluten content than most flours.

The dough is left to rise a minimum of 48 hours, which allows us to use a very small amount of yeast.

We use the best quality ingredients & local produce when possible.

All cold cuts & cured meats are sourced from the award-winning Salumi firm located in Billinudgel.

With our 100% wood fired pizzas we aim to excite & delight with every bite.
